

PROMISELAND COVID-19 ACKNOWLEDGEMENT AND DISCLOSURE

Thank you for entrusting your child(ren) to our care and giving us the opportunity to teach them about Jesus. We are following CDC and Texas Department of Health and Human Services (TDHHS) guidelines and actively working to maintain a healthy and safe environment to prevent the spread of COVID-19. We appreciate your patience and flexibility as we work through this together.

Parents and guardians will drop off and pick up children at the glass door entrance to Promiseland. We will take your child's temperature during the check-in process. Children with a fever of 100.4 degrees Fahrenheit or higher, or other COVID-19 symptoms listed below, will not be allowed into the Promiseland area.

If during the day any of the following symptoms appear, Christ Fellowship has a response plan in place to separate the child from other children in the building while waiting to be picked up.

Symptoms include:

fever of 100.4 degrees Fahrenheit or higher
dry cough
shortness of breath
chills

new loss of taste or smell
sore throat
muscle aches

While we understand that many of these symptoms can also be related to non-COVID-19 related issues we must proceed with an abundance of caution during this time. These symptoms typically appear 2-7 days after being infected so please take them seriously. Your child will need to be symptom free without medication for 72 hours before returning to the facility.

Acknowledgement

I understand that my child will be in contact with children, families, and other employees who are also at risk of community exposure. I understand that no list of restrictions, guidelines, or practices will remove 100% of the risk of exposure to COVID-19 as the virus can be transmitted by persons who are asymptomatic and before some people show signs of infection. I understand that I play a crucial role in keeping everyone in the facility safe and reducing the risk of exposure by following the guidelines above.
